EXPERIENCE

SubLite, LLC, September 2015 – Present
Web Developer Intern
- Worked on implementing the front end and back end of a job listing platform that assists university students with selecting internships and finding housing over the summer

Wordpress Development, December 2014 – Present
Director of Technology for the Yale Politic, Local Developer
- Lead developer, website designer, and database manager for www.thepolitic.org. Maintained the website and helped lead a re-vamping of the ad program for The Politic
- Designed and developed two Wordpress sites with custom themes for two small businesses in the local community of Houston

The Kinkaid School Web Application Development, June 2013 – May 2015
Student Developer
- Designed, developed, and lead the push for a full-stack web app for my high school to administer and manage community service data
- Coordinated with school administration for over a year to approve adoption of the new system, which is now fully embraced by the entire upper school students and faculty
- Led workshops with interested underclassmen to pass down the project

The Kinkaid School Software Developer, July 2014
Software Developer Intern
- Implemented multiple-login functionality for my high school's point of sale system
- Refactored and updated legacy code written in PHP3 to PHP5

Mobile Open Source Development, August 2013
- Developed new features and added endless scrolling capabilities for Atarashii! Android app (over 50,000 installs)

ORGANIZATIONS

Yale University Ballroom Dance Team, September 2015 – Present
Elmseed Enterprise Fund, September 2015 – Present
Client Recruitment
- Reached out to local New Haven community organizations to establish partnerships
- Helped design and lead entrepreneurship workshops for local business owners in New Haven
